# Revolt Refunds FAME-2 Subsidy with Interest

## Repays ₹50 cr to Centre after probe

Tushar Mishra  
@timesgroup.com

New Delhi: RattanIndia-owned Revolt IntelleCorp has refunded ₹50 crore to the Centre as a settlement, after a probe found the company violating guidelines laid under the subsidy scheme for locally made electric vehicles (EVs), officials said.

The payout by Revolt is in lieu of ₹4.4 crore that had accrued as subsidy under the second leg of Faster Adoption and Manufacturing of Electric Vehicles (FAME 2) scheme. Total payables include interest that was accrued on the dues since the date of being debited from the FAME programme. "Revolt deposited this money through cheque earlier this week. The cheque was being encashed today and has been deposited to consolidated fund of India," Hanif Qureshi, joint secretary, ministry of heavy industries (MHI), told ET on Thursday.

According to him, since Revolt has cleared its dues, the company is now free to once again seek subsidy under the FAME programme, subject to government approval. After receiving complaints, MHI had probed 13 EV two-wheeler makers for not complying with localisation commitments under the ₹10,000 crore FAME 2 scheme.

# Moody's India Rating Out of Sync with Macro Fundamentals: Official

Bankinkar.P  
@timesgroup.com

New Delhi: Global ratings agency Moody's failed to properly assess India's robust macroeconomic fundamentals despite global turmoil when it retained its sovereign rating for the country at the lowest investment grade of 'Ba3', a senior finance ministry official said on Thursday.

The official said the government debt level remains way above that of similar-rated peers, strangely if doing well is being appreciated to New Delhi's lower external debt level compared with others, he said. The official said the Centre's fiscal deficit dropped from 9.2% of GDP in FY21 to 6.4% in FY23. It is estimated to ease to 5.5% this fiscal year and government is committed to reduce it further to 4.5% by FY26. "So where is the issue of debt sustainability?" he asked.

# PRE-2018 CASES NFRA may Move SC over Probe Powers

New Delhi: The National Financial Reporting Authority (NFRA) will likely approach the Supreme Court, challenging the directives of the Telangana High Court that held the audit regulator, prima facie, has no power to probe cases of professional misconduct that occurred before it came into being in 2018, a person close to the development said.

The high court's observation in a case pertaining to the auditor of Brightcom Group has important ramifications, as it can possibly put fetters on NFRA to launch investigation or initiate action against auditors involved in big scandals like those at IL&FS and DHFL, experts said. NFRA has already barred some auditors alleged to be involved in the IL&FS crisis from undertaking fresh work, in addition to imposing fines on them, but its orders have been challenged by them at the Delhi high courts.—Bankinkar Pattanayak
