Auditors' Report on Consolidated Annual Financial Results of Sharda Cropchem Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Sharda Cropchem Limited

We have audited the consolidated annual financial results of Sharda Cropchem Limited ('the Company') and its subsidiaries (the Company and its subsidiaries together referred to as ('the Group')) for the year ended 31 March 2019 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from audited consolidated annual financial statements, and reviewed quarterly consolidated financial results, which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of eight subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of Rs.10,848 lacs as at 31 March 2019 and total revenues of Rs. 20,278 lacs and net cash flows amounting to Rs. (63) lacs for the year ended on that date. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the reports of such other auditors.

Sharda Cropchem Limited

Auditors' Report on Consolidated Annual Financial Results of Sharda Cropchem Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

We did not audit the consolidated financial statements and other financial information of one subsidiary (including eleven step down subsidiaries) whose consolidated financial statements and other financial information reflect total assets of Rs. 22,167 lacs as at 31 March 2019 and total revenues of Rs. 42,564 lacs and net cash flows amounting to Rs. 607 lacs for the year ended on that date. Such financial statements and other financial information, prepared under the generally accepted accounting principles ('GAAP') accepted in the country of incorporation of the subsidiary ('GAAP'), have been audited by another auditor under generally accepted auditing standards applicable in that country, and such financial statements, other financial information and the audit report of the other auditor were furnished to us. The management of the Company has converted these audited consolidated financial statements of the consolidated subsidiary from the aforementioned GAAP to Indian Accounting Standards ('IND AS') prescribed under Sec 133 of the Companies Act, 2013, read with relevant rules issued thereunder for the purpose of preparation of Company's consolidated financial statements under IND AS. We have audited the adjustments made by the Company's management. Our opinion on the audited consolidated financial results of the Company, in so far as it relates to such consolidated subsidiary located outside India is based on the report of other auditor under the aforementioned GAAP in their country and the aforesaid conversion adjustments undertaken by the Company's management, audited by us.

We did not audit the financial statements of twenty one subsidiaries, whose annual financial statements reflect total assets of Rs. 41 lacs as at 31 March 2019 and total revenues of Rs. Nil and net cash flows amounting to Rs. 7 lacs for the year ended on that date, as considered in the consolidated annual financial results. These annual financial statements of the aforesaid subsidiaries are unaudited and have been furnished to us by the Management and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, is based solely on such unaudited annual financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Attention is drawn to the fact that the figures of quarter and year ended 31 March 2018 included in the statement were audited by the predecessor auditor whose Audit Report dated 09 May 2018 expressed an unmodified opinion on those financial results.

Our Opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the management.

Sharda Cropchem Limited

Auditors' Report on Consolidated Annual Financial Results of Sharda Cropchem Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

To the Board of Directors of Sharda Cropchem Limited

We have audited the standalone annual financial results of Sharda Cropchem Limited ('the Company') for the year ended 31 March 2019 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these standalone annual financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These standalone annual financial results have been prepared on the basis of the audited standalone annual financial statements, and reviewed quarterly standalone financial results, which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these standalone annual financial results based on our audit of the standalone annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the standalone annual financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

Attention is drawn to the fact that the figures of quarter and year ended 31 March 2018 included in the statement were audited by the predecessor auditors, whose Audit Report dated 09 May 2018 expressed an unmodified opinion on those standalone financial results.
